CTE Leadership Continuum

Dr. John Mulcahy

[Home](#)[About Us](#)[Resources](#)[Partners](#)[Contact Us](#)

The mission of **THE LEADERSHIP CONTINUUM** is to be a centerpoint for CTE needs — providing the public with information regarding Career and Technical Education.

We're your one-stop shop! Whether you're already involved in CTE or just looking to get started, we'll help you get the information you need.

We're here to educate. Our programs are tailored for anyone and everyone interested in CTE.

Have any questions for us? We're always happy to help with any questions about CTE!

A Centerpoint For CTE Needs

Informing the Public Regarding Career and Technical Education

TEACHER SERIES

The **Teacher Series** is a series of resources designed to provide teachers with the skills needed to be successful as instructors in a CTE program.

[Read More](#)

ADMINISTRATOR SERIES

The **Administrator Series** is designed to provide both current and prospective CTE administrators with the skills needed to successfully lead the CTE enterprise within their school district.

[Read More](#)

COUNSELOR SERIES

The **Counselor Series** is designed to provide information that will enable all counselors to help students become college and career ready.

[Read More](#)

AMBASSADOR SERIES

The **Ambassador Series** is designed to encourage stakeholders external to CTE about the value and importance of CTE.

[Read More](#)

What is CTE?

CTE (Career and Technical Education) is an educational model that organizes secondary and postsecondary education to better meet demand and provides students with the technical, academic and employability knowledge and skills they need for success.

Put simply, CTE prepares students for careers of their choice.
